just one!

1

**CERTIFICATE IV IN  
DIGITAL MEDIA TECHNOLOGIES**

**VIDEO PRODUCTION**

Delivered by ACIT

**Traineeships Available**

2

**DIPLOMA OF SCREEN  
AND MEDIA &**

**INTERNSHIP IN  
HOLLYWOOD**

Delivered by IFTV

This course provides students with the knowledge and skills in Design, Digital Video, Internet and Interactive Multimedia Technologies. The content addresses skills in industry standard camera handling techniques, video equipment operation, Internet and Multimedia development (2D animation, multimedia authoring, virtual reality production, industry issues, multimedia design concepts, multimedia production techniques, creative design concepts).

The Diploma of Screen and Media offers professional and academic instruction in the arts and sciences of motion pictures and television. The course aims to give the student knowledge of the technical, creative, and business aspects of the film/television industries. This includes practical hands-on training in the operation of professional equipment and state-of-the-art techniques.

## INTERNSHIPS IN HOLLYWOOD

Unlike any other college in Australia, the Institute of Film and TV offers a unique training program to be studying in two continents and to experience an **Internship in Hollywood**, the centre of the film industry. This training program is designed not only to obtain a prestigious qualification but to gain valuable experience firsthand in Hollywood.
